

ARCHITECTURAL REVIEW COMMITTEE
SATELLITE DISH INSTALLATION REQUEST

Neighborhood: _____ Lot: _____

Home Owner: _____ Phone: _____

Mailing Address: _____

All requests for satellite dish installation will be reviewed within 5 days. There is no charge for satellite installation review.

[] Attach copy of site plan with satellite location marked.

The following information regarding satellites as approved by the Telecommunications Act of 1996 which directs Federal Communication Commission (FCC) to create regulations, which would disallow restrictive covenants on satellite dishes **UNDER 1 METER IN DIAMETER ONLY**. These guidelines are subject to the same additions, revisions and modifications as detailed in the "Architectural Guidelines" dated May 2006 and are subject to revision at any time.

Prior to installing a satellite dish or wireless cable antenna system, owners are requested to notify the ARC of their intent.

Dish placement is preferred on the rear 50% of the structure/lot.

Owners are encouraged to work with the ARC to determine a suitable location to avoid safety hazards and damage to the building, obtain a clear signal but be as unobtrusive as possible from the street.

I am submitting this application for satellite installation approval and agree to be bound by the rules and regulations, Covenants & Restrictions and Eagle Landing ARC Guidelines.
